

Instruments

- ✓ UV-Visible spectrometer
- ✓ Colorimeter
- ✓ Shaking water bath
- ✓ Laboratory oven
- ✓ Conductivity/ pH meter
- ✓ UV Cabinet
- ✓ Refractometer
- ✓ Melting point apparatus
- ✓ Potentiometer
- ✓ Electronic balance
- ✓ Ultra sonicator

Vimala College (Autonomous) Thrissur

PG Department of Chemistry

organizes

Hands-on Training on Working and Maintenance of Laboratory Instruments

Venue:
Chemistry Lab
&
Instrumentation Room

on
JULY 28-29, 2025
9.00 – 3 pm

Organizing Committee

Prof Sr Beena Jose (Principal)

Dr Nancy Mathew (HoD)

Dr T Geetha

Dr Nimmy Kuriakose

Dr Jiji Abraham

Dr Bijoy P Mathew

Dr Srilakshmi P Bhaskar

(Coordinator)

Dr Biny Balan (Coordinator)

Ms Susan Samuel

Ms Jisna Sabu

Ms Sandra A Benny

Expected outcomes

- Understand the principles of key laboratory instruments
- Gain hands-on experience in instrument operation and calibration
- Learn routine maintenance and safety procedures
- Accurately record data
- Maintain logs for lab instruments

The certificate will be issued upon successful completion
